MCRC News

The recent Hurricane Milton has caused some damage to the field. Members are encouraged to assist in restoring the field to its original condition. An email notification will be sent out soon to announce a field cleanup day following the recent storm.

Maurice Spence underwent knee replacement surgery, which was successful. However, he developed a blood clot, causing a delay in his discharge from the hospital. I spoke with Maurice over the weekend, and he informed me that he will be discharged on Tuesday, October 15th, and will start his out-patient rehabilitation for the knee replacement surgery very shortly. Please feel free to send your well wishes to Maurice. Maurice's email address is maurices9797@gmail.com.

From Wayne Smith, With the last hurricane, the Largo Flying field has been closed temporarily by the city. The Largo Flying club's swap originally scheduled for November 23 has been cancelled. No makeup date is scheduled for the future.

Grass is Growing

Field maintenance is an on-going need because the rainy season has caused our grounds to grow like crazy. Joe Klein mows the grass twice a week and can always use more members to help with field maintenance!

VOLUNTEERS FOR FIELD MAINTENANCE, INCLUDING MOWING, ARE NEEDED, PLEASE CONTACT JOE KLEIN IF YOU CAN HELP!

Finances

Wayne Smith has reported that the club's finances are in good shape. We've welcomed several new members, and our financial situation is healthy. Currently, there are no plans for dues increase or assessment. Any member is welcome to view our financial records upon request. Wayne uses "QuickBooks" and our reports are accurate. We have sent a reminder email to members with outstanding membership dues and will be contacting them soon to inquire if they would like to continue their MCRC membership.

Elections

A vacancy has opened on the Board. Our current Vice President, Sean B Sutton will be stepping down from the board and quitting the MCRC club as he is relocating back to Ohio. David Grenier will be appointing a temporary Vice President to fill the spot, and elections will be held in January 2025. If you are passionate about driving our club towards the future, we encourage you to place your name in the nomination!
